CHINESE BUFFET DINNER

The 19th of Kislev is joyously observed by Chabad-Lubavitch Chassidim as the **global spiritual birth date** for the Chassidic movement, that empowers us to reach greater spiritual heights, just like on our own birthdays! A most opportune day to rededicate ourselves to Teachings and illuminated Pathways of Chassidus. It's traditionally celebrated with additional Torah study and soul-stirring Farbrengens that encourages spiritual improvement.
