Universal, Uplifting Torah Messages of "Hope & Healing"

Please be sure to join us this Sunday afternoon for an inspiring "Power Hour" featuring some of Israel's foremost Rabbis, Political Leaders, Humanitarian Activists, *Chayalei Tzahal* and the incredible untold story of **Colel Chabad's** COVID-19 relief efforts across our beloved homeland, as well as a groundbreaking and dynamic presentation of the Rambam's Torah teachings!

Yesterday was the annual **Siyum HaRambam** —conclusion of the yearly cycle of daily study of **Maimonides's Mishneh Torah** and **Sefer HaMitzvot**.

This marks the **39th** time this cycle of study has been completed since it was **initiated by the Rebbe in the spring of 1984**. Baruch Hashem, each year the number of Jewish men and women participating around the globe in this daily study program, continues to increase.

We strongly urge and encourage everyone to consider joining this incredible program of all-encompassing Torah literacy that'll familiarize you with ALL 613 of Hashem's Commandments in under a year, just 339 days!

Several years ago, **Chabad.org** introduced an invaluable aid for this daily Mitzvah study with the **"Sefer HaMitzvot App"** that automatically loads the daily lesson (available in both Hebrew and English), with advanced commentaries.

It also provides **easy access to a daily video class** featuring our very own, and increasingly renowned Rabbi, neatly integrated into the app. The app is currently available on the [Google Play store](#) and on the [App Store](#).
