Parshat Noach: Lessons for Life in a State of Global Disruption!

Join us this Shabbat to be inspired by the only righteous man in a world consumed by violence and corruption —who, upon G-d's command, builds a giant floating wooden box "The Ark" to save humanity and animal life from a global genocidal deluge. 365 days later — Noach is commanded to exit and repopulate earth. Responding to offerings, the Creator swears never again to destroy all life; setting a rainbow as a testimony of His covenant. Sharing language and culture, Noach's descendants choose to defy their Creator; building a great tower to symbolize their own invincibility. G-d confuses their language causing them to abandon their project and disperse across the face of the earth, splitting into seventy nations. The Parshah concludes with Abram (later Abraham), and the beginning of his journey to the Promised Land! With the raging waves of the global pandemic continuing to inundate us all, there's no better time to find shelter in Shul and be uplifted by the Torah's timeless messages.

We continue do everything we can to hold services while ensuring public safety, please remember the following:

If you are not feeling well or know that you were exposed to a COVID carrier, DO NOT COME TO SHUL until you know you've tested negative. NO EXCEPTIONS should be made. All of those presumed to be healthy must nonetheless remain masked, and endeavor to social distance whenever possible. Everyone's compliance is 100% required. Please think of others as we each do our part!

Book Your Home to Unmask Wonders!

A key element of the Rebbe's famous Mitzvah Campaign, was *Bayit Malei Sefarim*, (lit. a Home Filled with Books) was getting Torah books and conspicuously displaying them at home. Beyond inspiring study, the Rebbe believed that their very presence in our homes, would uplift us and provide protection for our families much like a Mezuzah does!

In his now famous, edited rumination from late 1990 in which the Rebbe presciently seems to refer to this new year, 5781 as "Pla'ot Avenu" or "Wonders Unmasked" –and it seems to clearly indicate that this very idea is the "call-of-the-hour" that'll, B'ezrat HaShem, unleash the foretold miraculous blessings and redemptive energy. Our Rav has been urging everyone to act on these instructions as we prayerfully hope for Hashem's deliverance during these difficult COVID days!
