"Get Secret Keys to Success" An Uplifting Shabbat of Song & Spirit

Falling between Yom Kippur and the holiday of Sukkot, this Shabbat is a rarity. Making it even more special is the fact that we'll be reading **Parshat Ha'azinu** - the very last Parsha of the Torah to be read on a Shabbat morning. The majority of *Parshat Ha'azinu* (=“Listen In”) consists of the 70-verse “Songful Sonnet” delivered by Moses to the People of Israel on the last day of his earthly life. Our Rabbis have taught that reciting and knowing this Parsha with the proper ‘*Trop*’ (=cantillation notes) can cultivate greater longevity and financial success! Join us in this very special reading, that was **chanting by the Levites each Shabbat** in the ancient *Beit HaMikdash*. May we invoke long life and success **together!**

High Holidays 5782 ~ Apart yet Together!

As we continue to contend with the lingering dark clouds of COVID challenges, High Holidays (*Yamim Nora'im* or *Days of Awe*) were observed to the best of our (limited) abilities. The harsh realities of the pandemic spelled smaller, shorter Services indoors, and highly condensed services outdoors. Yet, *Baruch Hashem*, we managed to serve our Shul community; providing a range of options that had something for all who were prepared to attend. Both the indoors and outside enabled hundreds to participate and be uplifted on these special days – each in accordance with their own level of comfort.

Despite the many challenges, our Rabbis and Rebbetzins worked tirelessly to ensure smooth execution, and we should acknowledge the dedicated Shul volunteers who generously invested time and effort. *Yasher Koach* to our guest Rabbi Avrohom Jacks and his son Mendel for so ably leading the Condensed outdoor services, and we are grateful to Rabbi Avrumy's for his dynamic leadership in organizing and running both the Youth Minyan and the Holiday Youth programming!

We trust that *HaShem* is pleased with our efforts and are thankful for the many who elected to participate in our *Yamim Norayim*. We are prayerfully confident that the Eternal One has heard our heartfelt *Tefillot*, and that a new year that will be good and sweet in an obvious fashion will be granted to us by G-d as we all now move upwards and onwards, from the solemnity of the year's start into its continuation: *Z'man Simchatainu* or *Days of Joy of Chodesh Tishrei!*

Our Shabbat Youth Programing

Shabbat Morning Youth Minyan will start at 10AM Parents participation is encouraged. The Youth Programs will begin at 11AM with age appropriate Parsha Stories, Singing and funtastic *educating* activities... Note: its for Kids only – Parents go back to Shul!
